ALL INCOME MUST BE REPORTED

ALL CHANGES MUST BE REPORTED

Tenants have 10 DAYS to report any changes on income or family size. Failure to report these changes is a violation of your lease which will result in us being able to go back and charge you rent for the months that you allowed to pass that you were working and did not report it to us...(retro-rent)

We pull monthly reports that will give us the information on all of our tenants so don't let that catch up with you.

AND.... If you have been out of work or had a decrease in pay/hours and do not report it, we cannot do anything about what we are unaware of and once that month has past we will not back date if you don't report it.

TENANTS

If you have a balance owed for any of the following:

RENT

EXCESS UTILITIES

OPEN WORK ORDERS

Which is considered past due (19th of the month) we will file court papers (policy)

It is *your* responsibility to keep up with what you owe.

We have asked that you keep us informed of any changes (*phone numbers*) on your accounts that may interfere with us being able to reach you when needed and IF you don't *PLEASE UNDERSTAND* that we still have a policy we must follow.

If you are sick we ask that you please avoid coming into the office as we try to ensure a healthy and safe atmosphere for you as well as ourselves!
